Alumni Game Day 2017

Saturday, February 18

The 2017 Landrum Varsity and Junior Varsity Baseball Teams are hosting an Alumni Game Day for former Landrum Baseball players. We hope this event will attract former players to be involved in supporting the baseball program here at Landrum High School. We have a rich tradition of baseball, and we want all of our former players to be recognized and appreciated for their part in creating this legacy. Our mission is to get more former players to attend our games and be involved in our program through supporting fundraisers and other team events.
